Phone Number: 415-655-0002 | **Access Code:** 663 050 763

This webinar will provide information and answers questions regarding the AGING Initiative Pilot Project Grants that will advance research priorities relevant to the science of multiple chronic conditions. For more information, resources, and to access the online application link, visit the AGING Initiative website:

<https://theaginginitiative.wordpress.com/pilot-projects/>

*Questions you'd like to be answered during the webinar will be accepted prior to the webinar;
Please send questions to Christopher.Delude@meyersprimary.org by Monday, December 16th.*

The [HCSRN-OAICs AGING Initiative](#) is an NIA-funded joint endeavor of the Health Care Systems Research Network (HCSRN) and the Claude D. Pepper Older Americans Independence Centers (OAICs) to create a national resource to advance interdisciplinary research focused on older adults with multiple chronic conditions (MCCs). This webinar series is hosted by the Pilot Project Grants Workgroup, co-led by **Drs. Alyce Adams**, KPNC, and **Elizabeth Bayliss**, KPCO, of the AGING Initiative.

For more information about joining this webinar, please contact Chris Delude at: Christopher.Delude@meyersprimary.org
